

# Sunday 12 May, 2024

1. Make sure to **grab an order of service**. Space for notes and reflection on the back. **Bibles** are also available. Usual things that happen weekly are in there.
2. If you need to leave at all during the service, make sure to use the **fire door** at the side of all. That will remain open during the service then we'll use the main door at the end again.
3. **Day/Weekend Away** – 7-9<sup>th</sup> June. Philemon. **George Hawkins** from Beeston Free Church, Nottingham is speaking. Save the date and you'll likely receive some more information over the coming days/week.
4. New Sermon Series. First 4 chapters of Luke's gospel account. **Scripture Journals! £2 each** – if you've not got £2 then don't worry about it. We'd love for everyone to have one. Good for keeping all your sermon notes in one place. Today is the last day to get them from us.

**First Song:** *How Great is Our God*

**Second:** *You Alone Can Rescue*
